About this edition

Governance Structure

An updated public reference linked to the authoritative live website.

This revised reference explains the Council's public operating approach as of 4 November 2026. It is not a legal amendment, appointment instrument, government accreditation, audit certification, or a replacement for an independently authenticated source. Earlier digitally signed files remain available as historical editions.

SECTION 01

Governance model

MYCDIC separates strategic leadership, executive coordination, operations and oversight. A published structure describes responsibilities; it is not alone evidence of a specific current appointment.

- The Presidency safeguards institutional direction.
- The General Secretariat coordinates records, correspondence and execution follow-up.
- National and International Offices carry distinct territorial mandates.

SECTION 02

Decision and oversight

Delegation should be documented and compatible with the Council's applicable internal rules.

- Use the organisation registry for reporting lines and units.
- Connect each public officeholder to the member and appointment records.
- Preserve transparent revision history for public organisational documents.
