About this edition

National Office: Rabat

An updated public reference linked to the authoritative live website.

This revised reference explains the Council's public operating approach as of 4 November 2026. It is not a legal amendment, appointment instrument, government accreditation, audit certification, or a replacement for an independently authenticated source. Earlier digitally signed files remain available as historical editions.

SECTION 01

National remit

The Rabat National Office coordinates Council activities in Morocco, including national programmes, local partnerships, member follow-up, event support and institutional relations.

- The National Office is responsible for Morocco-based coordination under the Council's mandate.
- The International Office supervises country representations outside Morocco.
- Department visibility and appointments are controlled through the office and member registries.

SECTION 02

Delivery and accountability

National teams should record approved projects, meeting outcomes and follow-up tasks rather than presenting proposals as implemented measures.

- Keep partner commitments with clear authorisation and terms.
- Use standard reporting and transparent publication channels.
- Coordinate legal, communications and public activities with the competent units.
